

Employee Expense Reimbursement Policy

Eligible Expense Categories

Business travel: flights (economy), hotels (\$250/night cap in major metros, \$175 elsewhere), ground transport, meals (\$75/day per diem while traveling -- no receipts required under \$25).

Client entertainment: pre-approved by manager, max \$150/person.

Home office: one-time \$500 setup allowance for new hires, \$100/year ongoing (keyboard, mouse, monitor accessories).

Professional development: books, online courses -- up to \$1,500/year without additional approval; above that needs VP sign-off.

Receipt Requirements

Receipts are required for all individual expenses of \$25 or more.

Receipts must show: vendor name, date, itemized amount, and payment method (last 4 digits). Screenshots of digital receipts are acceptable. Credit card statements alone are not sufficient.

Missing receipts: submit a Missing Receipt Affidavit (HR portal) for expenses up to \$100. Above \$100 requires manager approval.

Submission Deadlines

Submit expenses within 60 days of the expense date.

Expenses older than 60 days require VP Finance approval.

Expenses older than 90 days will not be reimbursed.

Year-end cutoff: all expenses for a calendar year must be submitted by January 15 of the following year.

Manager Approval Thresholds

Up to \$500: direct manager approval only.

\$501-\$2,000: direct manager + skip-level approval.

\$2,001-\$5,000: VP-level approval required.

Above \$5,000: CFO approval required.

Client entertainment always requires manager pre-approval before the expense is incurred, regardless of amount.

Reimbursement Processing

Approved expenses are processed in the bi-weekly payroll run (same cycle as salary). Submit by Thursday midnight for the following Friday's payroll. Expenses submitted after the cutoff roll to the next bi-weekly cycle.

Reimbursements appear as a separate line item on your pay stub
